

TECHNICAL DATA SHEET (TDS)

VHT 62 MAXICLEAN - HEAVY DUTY CLEANER

1. PROPERTIES

- Diluted: Cleans and removes grease from dirty porcelain stoneware, ceramic, natural stone, and terra-cotta and concrete floors.
- Undiluted: Removes stubborn stains from porcelain stoneware. It is excellent for basic cleaning of acid-sensitive stone. Ideal for basic cleaning of concrete wax remover for water based, metal or polishing wax.
- 3-in-one solution: Stain, dirt and grease remover, detergent and wax remover.
- Removes stubborn stains from porcelain stoneware.
- Cleans without damaging the surface.
- Extremely easy to use, removes epoxy grout residues.

2. APPLICATION AREAS

Apply on acid-sensitive stones, porcelain stoneware, ceramic, natural stone, terracotta and concrete floors.

3. INSTRUCTIONS FOR USE

Dilution: Depending on use

•To clean all surfaces:

1. Dilute 1:10 to 1:20 and apply to the surface.
2. Leave to act for a few minutes then clean with a single-disc professional cleaner or a scrubbing brush.
3. Vacuum or wipe up dirt and then rinse with plenty of water.

•For a deeper clean, dilute to 1:5.

1. To remove stains from porcelain stoneware dilute 1:5, spread and leave to act for a few minutes.
2. Scrub with a scrubbing brush or a single-disc cleaner.
3. Vacuum or wipe up dirt and then rinse with plenty of water.
4. To remove wax pours undiluted directly onto the mark and over the entire surface of the tile.
5. Allow drying completely, then washing and rinsing.
6. To remove epoxy grout residues apply the product undiluted, leave to act for 15-20 minutes, scrub with an abrasi-ve disc, then rinse.
